

SOURCES OF FUNDS

St. George's total operating budget is roughly \$370,000 and, as a parish, we must raise the funds each year. St. George's receives no financial support from the Diocese or National Church, and there is no large endowment. The Pledges from people in the pews fund most of our total operating budget.

USES OF FUNDS

Our budget, as developed and managed by the Vestry with the support of the Finance Committee, is the expression of our Ministry, Mission and Maintenance.

Ministry:

- Clergy & Staff salary and benefits
- Music for worship
- Education programming of youth and adults
- Worship and fellowship

Mission:

- Diocesan pledge: support for Diocese and its pledge to the national Episcopal Church
- Outreach: grants to local community organizations serving youth and families in need

Maintenance:

- Building and property maintenance, repairs, utilities and insurance for church grounds and rectory

ALL gifts matter. ALL gifts are appreciated. ALL gifts make a difference.

You might consider “Proportionate Giving”

Connecting your pledge to a percentage of your annual income. In future years, you might challenge yourself to increase that percentage. The table at the right offers a sampling of the levels for estimating the weekly pledge amount

Annual Income	Pledge Percentage (per week)				
	10%	7%	5%	3%	1%
\$25,000	\$ 48	\$ 34	\$ 24	\$ 14	\$ 5
